TOURNAMENT PROGRAMME

19-26 OCTOBER 2019 | CAPE TOWN

www.worldindoorcricketfederation.com

A WARM WELCOME

DEAR WICF MASTERS WORLD SERIES 2019 PARTICIPANTS

On behalf of the World Indoor Cricket Federation (WICF) welcome to the Indoor Cricket Masters World Series, South Africa, 2019. The Masters World Series is being hosted in Cape Town for the first time, and I would like to extend a huge thank you to Bruce Miller and his team for putting the event together. I believe this could be one of our biggest events yet.

It's an exciting time to be involved in indoor cricket around the world as the WICF continues its talks with the International Cricket Council (ICC).

We are hopeful to see teams competing from several new countries throughout the Series, within the 5 different grades: 30 & Over Womens, 35 & Over Mens, 40 & Over Mens, 45 & Over Men's & 50 and Over Men's.

The 2016 Masters Worlds Series winners and defending champions are:

South Africa: Womens

Australia: 35s, 40s, 45s and 50s Mens

We take great pleasure in welcoming Australia, South Africa, England, India, Singapore, Sri Lanka, New Zealand and UAE.

I look forward to welcoming you all to this World event in October 2019.

Tony Watkins
(WICF President)

CAPE TOWN - THINGS TO DO

The lively heart of the Western Cape is a treat for tourists, and the best things to do in Cape Town are so incredible that you'd likely never want to leave.

You've got culture, history, fantastic restaurants, diverse markets and gorgeous beaches all in one affordable bundle and all under a sunny-but-un-challenging weather forecast.

Table Mountain

A trip up this iconic landmark is absolutely worth your time. The energetic might like to hike, but nobody's judging if you plump for the cable car.

Robben Island

This World Heritage Site in Table Bay is where you'll find the prison that held Nelson Mandela during apartheid, along with hundreds of other political detainees.

Kalk Bay

This cutesy suburb has a colourful collection of shops along its seafront which mainly sell things that you don't need but really want. The café scene is also excellent, so it's a very leisurely place to spend an afternoon pottering around.

Shopping Malls

THE V&A WATERFRONT is the hub of Cape Town. It also hosts a world class shopping centre with a multitude of restaurants and both designer and affordable labels.

CANAL WALK Canal Walk is home to over 400 shops and was built around a canal, hence the name. It is just 15 minutes outside of the city centre.

CAVENDISH SQUARE This mall is every shoppers dream from its secure shaded parking areas to the beautifully done flooring and modern decor.

Long Street

Browsing the little cafés, boutiques and vintage shops on Long is a classic way to spend an afternoon in Cape Town. Its row of pretty Victorian buildings brings together traditional African crafts, spiritual trinkets and hipster-friendly bars in a way that makes it a great introduction to the city's outlook.

Beaches

Cape Town is world renown for its beautiful beaches. Why not come and see what all the hype is about? Cape Town is known for its many forms of entertainment, its beaches remain one of its biggest treasures. Some of these include: Llundudno, Camps Bay, Fish Hoek, Dungeons.

Wine Farms

The Western Cape is South Africa's main wine-producing region and offers 26 districts of winelands. Some of these include: Groot Constantia, Eagles Nest Wines, Beau Constantia, Cape Point Wines.

Museums & Art Galleries

Cape Town is proud to have a rich and culturally diverse heritage. South African westernised history and culture dates back to when Bartholomew Dias first explored the coastline in 1488. Some of the museums and art galleries featured on our guide are: District Six Museum, Bo Kaap Museum, Knext Art Gallery, Rust-en-Verde Art Gallery.

Nature & Game Reserves

Looking to experience the Big Five or adventure on some of South Africa's most beautiful trails? There are over 14 nature reserves and game farms near Cape Town these include: Fairy Glen Game Lodge Aquila Private Game Lodge, Sanbona Nature Reserve.

Golfing in Cape Town

Many of the fairways and greens that dot the Mother City hold championship status and are both technically challenging and visually captivating, making them sought-after places to play.

Burley is proud to supply the official balls for the Masters World Series in Cape Town.

The Players' Choice for Over 40 Years.

CBSSICF - Super Soft

The ball that has been used in most international indoor matches for years. It's unique centre and playing characteristics make it the players choice.
(Green/Red Stitch)

CBLOICF - Low Impact

The Low Impact ball is also used worldwide and features excellent shape retention characteristics. The Low Impact ball has a slightly harder center than the Super Soft.
(Red Stitch)
